

Privacy Policy Summary

This is an easy to read summary of our Privacy Policy. Our Privacy Policy explains what type of personal data we collect, and how we use, share, keep and protect it. You can find the full Privacy Policy in PDF format on the website.

We, DriverSelect (Pty) Ltd, build and maintain the DriverSelect platform (<https://driverselect.co.za/>).

We collect personal data from you as a user of the platform. We consider any data that can be used to uniquely identify you as personal data.

If you have any questions not answered in our Privacy Policy, contact us at privacy@driverselect.co.za.

What we collect

Information provided by you

If you register on the platform; we will collect your name, mobile number, email address and password.

Information provided by Uber

If you register via Uber you provide us with access to your Uber data. We will collect your name and contact details. Additionally we will collect information about your Uber driver profile status. We will also collect data on your trips, fares and vehicles.

Information provided by the platform

We will keep any communications made on the platform to improve the site.

We use cookies to enable website functionality and to gather anonymised analytical data.

How we use data

We use any data collected for internal business purposes. This includes creating a user account for you, processing your requests, and facilitating your use of the platform.

We may combine some of your data with other pieces of your data to gain a better understanding of your account.

We may link your data to other data to fulfill the platform's function.

We respect your data

We will not sell, trade or rent your information to others.

We may share your data with other users of the platform only as required by the use of the platform.

We may share some of your data with third party service providers who are working with the platform. We will try to use third parties who will respect your data as we do. We are not accountable if they mistreat it.

We may share your data if so required by law, including if necessary to protect ourselves.

We will protect your data

To the best of our ability, we will use security best practices to protect the data under our control.

Email us at security@driverselect.co.za as soon as you think there has been illegal to your account or data.

Managing your data

If you want a full dump of the data the platform has gathered on you please email privacy@driverselect.co.za.
